Bridging Innovation Newsletter

[Subscribe to this newsletter](#)

Our MISSION is to bring the nation's greatest minds and most innovative technologies – from inside and outside of MITRE – together to solve the government's hardest challenges.

By combining MITRE's whole-of-government perspective, deep technical expertise, and willingness to collaborate, we can work together to achieve maximum impact for a safer world.

GlobalWIN visits Seaport

MITRE hosted the Global Women's Innovation Network in the Boston Seaport on Thursday Oct 3rd. A dozen US Congressional staffers toured MassChallenge and MassRobotics learning about the robust innovation ecosystem in Boston and MITRE's activities to bridge innovative solutions from non-traditional sources into the federal government. Jamie Hood from MITRE welcomed the visitors and provided an overview, then Cait Brumme, ...
